Analysis of Variance

Definition

haptic

adjective

1. of or relating to the sense of touch, in particular relating to the perception and manipulation of objects using the senses of touch and proprioception.

origin

1. late 19th century: from Greek *haptikos* 'able to touch or grasp,' from *haptēin* 'fasten.'

Analysis of Variance

Definition

optics

plural noun

1. the scientific study of sight and the behavior of light, or the properties of transmission and deflection of other forms of radiation.

Definition

informatics

plural noun

1. the science of processing data for storage and retrieval; informatics science
